Moose To Organize For 'Operation Santa Claus'

Officers and members of Torrance Moose lodge have adopted a resolution to support the Moose "Operation Santa Claus" campaign by sponsoring a toy collection for needy children according to Richard Hobbs, chairman of the lodge's civic affairs committee.

The Moose fraternity is sponsoring this program interna-

tionally in an effort to assure a "Toyful" Christmas for every needy boy and girl in the United States, Canada and Alaska. There will be more than 1700 communities participating in this campaign. More than three million toys are to be collected.

To Organize
The Moose locally, said Chairman Hobbs, will soon announce an organized plan whereby the people of the community may contribute either new or undamaged used toys which will be distributed to the children on Christmas Eve.

A number of collection depots will be set up throughout the city and colorful posters and banners will clearly mark these collection depots, he said.

The Moose lodge, with the full cooperation of Chapter 44, Women of the Moose, is to supply all the manpower needed

for the collection, wrapping, and distribution of the toys.

Destination
Needy children, in homes, orphanages, and hospitals, whose names will be obtained by the Moose Lodge from recognized social welfare agencies, will be the recipients of the toys.

All of the toys will be distributed in the local area, said Hobbs and none will be sent to outside institutions or homes. "We want this to be very much a local project, for our own needy kids," he said.

The Moose are being supported in this gigantic effort by Dave Garroway, popular emcee of the television show "Today," who is credited by the Moose with responsibility for much of the success of last year's nation-wide "Operation Santa Claus."

Coordinating Council Will Meet Tonight

Torrance Coordinating council will meet tonight at 7:30 p.m., at the Greenwood Elementary school, Greenwood and Senoma streets.

At the November meeting of the Coordinating council Mrs. Maxine Herman, who is a member of the Torrance Police department in the Juvenile division, gave a summary of the results of the first Town Meeting on juvenile delinquency.

She explained what causes a juvenile to become delinquent. These causes are lack of affection, security and recognition, she said. The lack of recognition may be racial or parental.

She also said that many juveniles may be lacking in these areas but a delinquent is one who comes to the attention of the law.
